Personal profile

I am a hardworking, solution seeking, innovative and open minded individual who is always keen to achieve and accomplish tasks in an effective and efficient way. I have a young and curious mind, that I am looking to intellectually develop by putting into use. I have acquired virtues in honesty and working for my success over the years.

Working Experience

Freelancing jobs: I have done close to 10 free lancing jobs in web application development and API development. Most of which have deployed and are now active.

Worked with Imprint Africa, a digital marketing company to implement an autonomous system for their rubric using some API endpoints, and providing an automatic rendering of that data into the CRM they use, currently Zoho CRM.

Educational background

University Education.

July 2016 –Expected to complete in November 2020: **Strathmore University**; Bachelor of science in Computer Science and Informatics. Undertaken: Web application development, Android development, API development and implementation. Also done server administration and application deployment and maintenance on the server. Added skills, personal email server set up and email creation based on domain.

Kenya certificate of Secondary Education

February 2012 – November 2015: Makueni Boys High School; graduated with a grade A- in my Kenya certificate of secondary education.

Kenya certificate of Primary Education

January 2003 – November 2011: One Hills Academy; graduated with a total mark of 414/500 marks in my Kenya certificate of Primary Education.

Other Certifications

Kenya Red Cross first aid certificate; I completed a first Aid course with Kenya Red Cross, Machakos branch and was awarded a certificate for that.

Hobbies

Soccer.

I am a fun of soccer, both as a player and as a fan. I mostly do soccer practice on weekends, mostly on Saturdays evening.

Travel

I am also interested in traveling and exploring. I have done road trips around Kenya, with the most memorable one being to Tanzania via Oloitokitok.
